

**Homework Saplings Class**  
**Wednesday 16<sup>th</sup> May 2018**

**Maths**

This week we have been adding silver coins to make 20p, 50p and £1. How can you make those amounts of money? Can you make it in different ways? Draw the coins and write the sum. Also look out for your 2dos on Purple Mash.

**English**

In English this week we wrote our letters to Mrs Dunmall. We also started planning our own story based on The Naughty Bus: The Naughty Digger, The Wicked Aeroplane. What other adventures could these vehicles get up to? Perhaps you could make your own story book at home.

**Reading**

Only one week left to complete your Reading Passport!

Many thanks

Mrs Swansborough and Miss Ellis
