End of Year Expectations for Year 3

This booklet provides information on the end of year expectations. All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

Homework

Children will bring home a POWER project at the beginning of each term that links with our overall topic: they can choose which challenges to complete in order to accrue points.

Reading

We would also appreciate your support in reading regularly with your child at home. It is important that the children develop a love for reading: we encourage you to read to your child and talk about the books as well as supporting your child to read.
