

Halstead Reading Passport

Dear Parent/Carer,

To help inspire and motivate the children to read for pleasure we ask the children to complete a Reading Passport. Each term your child will be given a passport, with 6 reading tasks inside, to complete at home.

- They can do the tasks in any order.
- The books and authors will be books available in the class or school library but you may also want to complete a task by visiting your local library.
- When your child completes each task please sign the task and when your child shows their teacher a signed task they will collect a special reading sticker.
- If they complete all 6 tasks by the last Monday of the term they will get a special reading certificate.

We hope you and your child enjoy, once again, travelling through the world of books together! If you have any questions please see the class teacher or myself.

Regards,

Mrs Saheed
